### AVOID TAINTED BUTTER

Rank butter is caused by dirt. There's just one separator that isn't apt to taint butter—it's the TUBULAR SEPARATOR.

It has the simple three piece bowl—the latest, most effective separator device—and is **PERFECTLY CLEAN**. Others cannot be kept clean without a great deal of labor. It turns easily—seals fast. Call for a catalog.

### Church Chimes

A meeting of the congregation was held in the Methodist church on Wednesday evening, when the financial statement for the past year was presented. The year just closed has been a most successful one, due mainly to the untiring efforts of the pastor, Rev. C. G. Cornelle, B.A., B.D., and Mrs. Cornelle.

At a meeting of the Methodist congregation held in the church on Wednesday evening last, the following resolution was unanimously passed: "Moved by J. F. Fowler, seconded by G. B. Henwood—that this meeting of the members and adherents of the Methodist Church in Wetaskiwin, desire to express its appreciation of the work of our pastor and his wife during the time they have been with us. We all unite in urging his reappointment and assure him of our hearty co-operation during the year that is before us. Carried unanimously."

The entertainment held in the Lutheran church last Thursday evening was a great success, nearly 175 people being present and the receipts amounted to \$33.40. A lengthy program was rendered by some of the best talent in Wetaskiwin and surrounding country. The solo by Miss Anderson, accompanied by Miss Swan森, was excellent, while the guitar solo by Rev. Satro was greatly appreciated. The renditions by the Skandia choir were so much appreciated that the audience demanded them to appear three times in succession. All presented seemed very much pleased with the evening's entertainment.

Sunday, May 29th, was a grand and impressive day in the Catholic of Wetaskiwin. Bishop Legal of St. Albert administered the sacrament of confirmation to about thirty candidates. Bishop's mass took place at 8 o'clock a.m. and High mass, celebrated by Father Van Wetten, took place at 10 o'clock a.m.

This candidate for confirmation entered the church in marching order under the direction of Mrs. Barrett and all took their places in front of the church in almost perfect order. The largest crowd ever seen in the same church witnessed the ceremony. High mass was sung by a choir of Indian children from the convent at Hobson led by one of the sister of that place. These children were taught and trained by the sisters. Their singing was delightful to hear.

Preceding the ceremony of confirmation the Bishop gave a very instructive sermon, he also gave another one at the benediction of the Blessed Sacrament which took place at 3 o'clock p.m.

Do you Electric Light in your house this fall? If so get around early and vote for the by-law on Saturday morning.

### Baseball Games

The second baseball match of the season was played at Diamond Park on Monday evening, when Ponoka came up to try conclusions with the local nine. The game was very uninteresting from a spectator's point of view, as it was seen from the first innings that Ponoka was hopelessly beaten and the game developed into a merry-go-round for the home boys, and before the end of the ninth in many they had piled up an enormous score. Terrible the Ponoka pitcher was completely at the mercy of Wetaskiwin's heavy hitters, while the Ponokas were unable to connect with Pittman's curves. After the game, a dance was given in honor of the visitors, and a very pleasant time was spent.

The baseball team and a number of the school boys from Ponoka came up to play a return match with Strathcona. The game was called for 6:30 and was a very good exhibition of ball playing on the part of both teams, although it was soon seen that Wetaskiwin had the home team out-classed. The game was won by the superb playing of every member of the Wetaskiwin team, only three errors being made during the entire game. Strathcona's weakness was the in-field, and a large number

of costly errors were made by them, Parney, the short-stop, being mostly to blame. The shortstop inspired the game and proved himself an impartial and strict official. The score by innings was as follows:

Strathcona . . . . . 101010022 7 10 10

Wetaskiwin . . . . . 021301000 12 9 3

Time of game 1:30.

The following are the players: Pittman, p.; Elland, B.; Barrett, 2b.; Bonneyman, c.; Nelson, s.; Bonneyman, f.; Mohler, r.f.; Dibon, l.f.

Strathcona—Dibon, c.; Stokes, p.; Hewitt, 1b.; Hay, 2b.; Greenway, 3b.; Parney, r.; Kinnear, c.; Magee, f.; Blair, H.

If a company can pay dividends, so can the municipality and their dividends will go to give you cheap lighting.

#### Hillside

The school library at Hillside is now an accomplished fact, and a goodly number of books are about ready for circulation. They are selected suitable for all tastes, and doubtless will be greatly appreciated, especially during the long winter nights. The books were obtained through the medium of a local social, which was liberally attended some short time ago. Mr. Howes has very kindly promised quite a lot of nice books.

Several herbs belonging to people up this way are either good dredgers or they may be sharpers keeping them back until the coveted reward appears. Probably information to the police might hasten the return of the animals to their respective owners. The crimp business is an abomination and requires stamping out. As it is, not everybody who loses a horse can afford to tip up to the tune of \$30, which is the sum one man up this way was bled.

Fencing up and closing the trail, threatening the terrors of the law, etc., seems epidemic. East and West we are hearing about it. On the south-east the encumbrance has been removed, but in the other cold, dogged impudence holds sway. Some of the more militant travellers are suggesting tarring and feathering with a ride on a rail as a fit reward to their unneighborly neighbors, whilst others propose a dipping pine and simple. Either of these methods would doubtless be salutary, although certainly not lawful, but a subscription is talked of for the victim or victims who might be maimed in the toils of law through these proceedings.

Let us sincerely hope, however, that wise councils will prevail.

There are some strong military in the cases, however, of discussion, there is no one who is who, so this time let us hope it does not hold good.

From Pigeon Lake, a rough hero to-day, his fellows there are out on tobacco. Now there is a call for missionaries to do their work, if they will take plenty of chances.

"Hawk Eye" says that there will be a "good" fight at Millet at an early date, the principals named are two "ladies" of that place. The stakes are somewhat high for so charming a piece of feminine display, viz., some \$500. The intending fighters are said to be well up to their work, but whether the residents will lower themselves to be present at such an exhibition remains to be seen. Let us promptly hope that they will baffle it and attend to the good of their own houses.

#### Nashville

The many friends of Alfred Loren will be sorry to learn that he met with a painful accident one day last week while cutting wood at Battle River. The ax slipped and cut a nasty wound in his leg. He is progressing nicely and hopes to soon be about as usual.

A. W. Anderson's quarter will soon be enclosed with a new fence. John F. Peterson is doing the work.

Otto Boehm is erecting a new house on his C. P. R. quarter which will be a great credit to the district when completed.

Who says there is no money in sheep? John F. Peterson has nearly 100 lambs from 64 ewes this year. Who can beat this?

The peaceful citizens of this district were horrified last week upon hearing that a well known man here had beaten his wife to such an extent that her face was swollen so badly that she could not see. Such a scene again the law will take it's course and our neighbor will spend some time at Fort Saskatchewan in company with the Wetaskiwin wife beater.

### Penron Park

The school observed Arbor Day. Trustees, teacher and children met and a number of trees were planted, flower beds were made, and the grounds present a neat appearance.

Our children also had a pleasant day on the 24th, with the Wetaskiwin school at Lucas Grove.

Some young men the other day trying to play the Canadian voyageur on the Big Stone for the amusement of their young lady loves, succeeded, beyond their planning.

David Morrison is very busy hauling hay North and South.

South East quarter of section three from Richard Hawkins and green birds will grow there.

The Veder brothers have returned from the east, where they have been cropping there home-steads and breaking for Frank McElvaney.

A man hauling lumber from Millet to Wetaskiwin lost a valuable horse while driving through the Park. He died almost instantly.

Mr. Hack from Red Deer won home last Friday. He had not seen Wetaskiwin for some time and was greatly surprised at its rapid growth.

Waldman Peterson from Red Deer came up to renew aquaintance. He finds it very quiet down at Red Deer.

Vic Johnson and W. Peterson went to Red Deer with quite a number of cattle for Mr. Conivist.

Rev. Martin Berg of Wetaskiwin held a meeting at Astor last Sunday at eleven o'clock, he also held a meeting at Aron Anderson's in the evening.

The Union Sunday school and Bible class which was organized two weeks ago at Fair school district, is going ahead fast. Quite a number of people were present last Sunday and they all seemed to take interest in the work.

A. G. Lindblad and Hansen Johnson went to town last week with hogs. They say the road to Wetaskiwin is O.K. now.

What is the reason the Fair cannot get a school teacher? Is it because some of our bachelors have moved away, or is it because there are not enough old maid here?

Lake de May

Scandinavian meeting was held at N. Nelson's on Sunday the 29th of June. Edwarson conducted the service.

Mr. Nord is erecting a large house on 24-47-18.

Quite a delegation of our people went to town Monday to haul out material with which to complete the school-house.

A few of our young men went to Dried Meat Lake last Friday. They returned triumphant, having persuaded a few fish to accompany them home.

Nearly every one is through seeding and fencing is now in progress.

All interested in Sunday school are requested to meet at A. E. Nelson next Sunday, June 5th, for the purpose of organizing.
